RE: Union Street & South Main Street Road Work

Residents of Union Street and South Main Street:

This letter is to inform you that beginning September 13, 2021, the City of Marine City will be replacing the water mains on Union Street and South Main Street from Union to Marine, as well as restoring both roadways.

The City will do its best to give you continued access to your driveway during construction, however, it may be necessary to find alternative parking.

If you have any questions please contact the DPW at (810) 765-9711.

Thank you for your anticipated cooperation.

Sincerely,

A handwritten signature in cursive script that reads "Mike Itrich".
