

City of Marine City PUBLIC HEARING

Notice of Public Hearing for Michigan Community Development Block Grant (CDBG) Funding for the Water Main Replacement Program

The Marine City Commission will conduct a Public Hearing on May 20, 2021 at 7:00 pm in the Fire Hall, 200 South Parker Street, Marine City, Michigan for the purpose of affording citizens an opportunity to examine and submit comments on the proposed application for a CDBG grant.

The City of Marine City proposes to request \$917,108.10 in CDBG funds. These funds will upgrade four local streets and some of the surrounding area by replacing the small water mains (2" and 4" mains) with 8" water mains which will increase water pressure, flow and subsequently, improve fire protection to the area. The estimated total project budget is \$1,019,009.00 of which we are asking for \$917,108.10; the City's minimum 10% match would be \$101,900.90.

The project will benefit at least 51% of low to moderate income persons. No persons will be displaced as a result of the proposed activities.

Further information, including a copy of the City of Marine City's Community Development Plan and CDBG application, is available for review.
